Ambassador Olasubomi Aina MBE: A Leader with the Heart of Gold

TO WHOM IT MAY CONCERN

Olasubomi Iginla Aina is a remarkable individual who has dedicated her life to humanitarian work and community development. Her unwavering commitment to making a positive impact on the lives of others is truly inspiring, and she deserves to be acknowledged for her exceptional contributions. I have known her for over 15 years

I was the Parish Pastor of The Redeemed Christian Church of God (RCCG) The Gateway Church located in New Addington area where Olasubomi resided at the time. In 2023 September, I was sent to Pastor The Redeemed Christian Church of God (RCCG) Light People in Peterborough. Olasubomi is a passionate Evangelist that preaches the good news of the Kingdom of God and it's righteousness with everything God has blessed her with. To the best of my knowledge, Olasubomi has tirelessly collaborated with countless churches across different regions and countries, using her available platforms to bring people together and foster a sense of unity and belonging. Her ability to connect with diverse communities and inspire them to work towards a common goal is unbelievably remarkable.

One of the most notable examples of Olasubomi's leadership and compassion is her role in encouraging RCCG The Gateway Church a church I planted, to start organizing an annual Community Christmas Party within New Addington, Croydon. For the past 12 years, this event has been a beacon of hope and joy for the local community. Olasubomi has been actively involved in the planning and execution of this initiative, she would travel down to visit schools and organisations in New Addington to encourage them to get involved in organizing and to participate at the event. She also follow up continuously to ensure the success of the event. At the event, every child who participates receives free food, drinks, and Christmas gifts. The Community Christmas Party has become a cherished tradition, bringing families together and providing a much-needed opportunity for celebration, especially for those who may struggle to do so on their own.

Olasubomi's dedication to community development extends far beyond New Addington. Since 2013 to date, she has been organizing a similar Community Christmas Party in Smallfield, Horley where she currently resides. The impact of these events is truly remarkable, as they create a platform for members of the community to come together, connect, and celebrate. The joy and sense of belonging that these parties foster are palpable, and they have undoubtedly made a lasting impression on the lives of those who have attended.

In 2023, Olasubomi's commitment to community engagement reached new heights when she organized a community event for various community-based groups in New Addington. Partnering with RCCG The Gateway Church, this event marked the Mayor's Community weekend and provided an opportunity for residents to meet and engage with one another, fostering a stronger sense of community and belonging. This initiative not only brought
