

WINNER UNITED NATIONS POPULATION FUND GLOBAL ART CONTEST

13th November 2024

TO WHOM IT MAY CONCERN

I am writing to wholeheartedly recommend Olasubomi Iginla-Aina MBE, an exceptional leader in humanitarian work.

My office has had the pleasure of collaborating with her since 2017 on the Guinness Book of Records' acclaimed "Bag of Hope". Together, we visited schools in England and Scotland, providing guidance and support to students experiencing trauma. Since then, I have developed kin interest in her projects. I am also aware of how she has been serving selflessly and voluntarily without wages over the years as a Global NGO Executive Committee Director – liaising for global NGOs to the UN, the Youth Development Minister for the state of African Diaspora as well as headed committees during the UN Nairobi conference with a dedicated record of impact and excellence.

More recently, I was involved in her pioneering project, Creating Awareness and Alternatives (CAA) Mission, aimed at combating irregular migration among African youths and providing viable alternatives. Witnessing how much impact she has made on this new project and several other projects across the globe, I unreservedly offered to support the organization of the different side events for the just concluded UN Nairobi Conference. These events made remarkable impact within the different regions where it took place both within Africa and Europe. Her efforts are committed towards excellence. Olasubomi continues to make significant impact in all her work, her selflessness, resourcefulness, and creativity in fundraising have been truly inspiring.

Throughout her numerous humanitarian endeavors, Olasubomi has consistently demonstrated unwavering dedication, tenacity, and impact. Her work has earned her well-deserved recognition, including the prestigious MBE Award from Her Majesty, the late Queen Elizabeth II.

I strongly endorse Olasubomi for any opportunity or recognition. She is an outstanding individual who will undoubtedly prove herself capable, dependable, and resourceful.

Please feel free to contact me if you require further information.

Sincerely,

Ibi. Alao
